Career Objective

Entry-level Full Stack Developer with hands-on experience in Django and MERN Stack, skilled in building database-driven web applications, RESTful APIs, and responsive user interfaces. Passionate about writing clean, scalable code and eager to contribute to real-world projects while continuously improving backend and full stack development skills.

Technical Skills

Programming Languages: Python, JavaScript, C.

Backend Development: Django, Node.js, Express.js, REST API's.

Frontend Development: React.js, HTML5, CSS3.

Database: SQLite, MongoDB.

Tools & Version Control: MS-Office, Git, GitHub.

Educational Qualifications

Bachelor of Computer Applications (BCA)
Aditya Degree College, Eluru, Andhra Pradesh
2023 – Present

Certifications

- Python Programming Certification – CISCO
- C Programming Certification – CISCO
- MERN Full Stack Development Certification – ADHOC Networks
- Essentials of Generative AI – Microsoft

Internship

MERN Full Stack Developer Intern – ADHOC Networks
April 2025 – June 2025

- Completed hands-on training in MERN Stack technologies.
- Built end-to-end web applications with CRUD functionality and RESTful APIs.
- Gained practical experience in frontend-backend integration and development workflows.

Projects

NoteNest: **[React.js, Node.js, Express.js, MongoDB, REST APIs]**

Developed a full-stack notes management application implementing complete CRUD functionality. Designed RESTful APIs for data handling, stored data efficiently using MongoDB, and built a responsive, component-based React interface to deliver a smooth user experience.

Data-to-Excel Converter : **[Python, Django, SQL, Pandas, HTML, CSS]**

Developed a web application that exports relational database tables into downloadable Excel files. The system dynamically detects tables, processes data efficiently, and generates multi-sheet Excel reports for easy analysis and reporting.

Portfolio Website: **[HTML, CSS]**

Personal portfolio website showcasing my projects, technical skills, GitHub repositories, and contact information. Designed with a responsive UI to highlight my development work and provide recruiters with easy access to my profile and applications.
